

#5

VERSION WITH MARKINGS TO SHOW CHANGES MADE

IN THE SPECIFICATION:

On page 1, after the title, insert the following heading:

BACKGROUND OF THE INVENTION

On page 2, after line 4, insert the following heading:

SUMMARY OF THE INVENTION

and delete lines 8 and 9 and insert the following paragraph:

-- This objective, as well as further objects which will become apparent from the discussion that follows, are achieved, in accordance with the present invention by providing a position selector device having a base body that is surrounded by a housing body, wherein the housing body includes a disk body that is held via a basic position magnet arrangement with respect to the base body and which may be moved with respect to the base body by at least one motion element. --

On page 8, delete lines 6 and 7 and substitute the following paragraph and heading:

-- For a full understanding of the present invention, reference should now be made to the following detailed description of the

preferred embodiments of the invention as illustrated in the accompanying drawings.

BRIEF DESCRIPTION OF THE DRAWINGS --

On page 10, after line 9, insert the following heading and paragraph:

-- DESCRIPTION OF THE PREFERRED EMBODIMENT

The preferred embodiments of the present invention will now be described with reference to Figs. 1-16 of the drawings. Identical elements in the various figures are designated with the same reference numerals. --

On page 22, after the last line, insert the following paragraph:

-- There has thus been shown and described a novel position selector device which fulfill all the objects and advantages sought therefor. Many changes, modifications, variations and other uses and applications of the subject invention will, however, become apparent to those skilled in the art after considering this specification and the accompanying drawings which disclose the preferred embodiments thereof. All such changes, modifications, variations and other uses and applications which do not depart from the spirit and scope of
